

Leafgel Certification Materials

Hey there soon to be Leafgel Certified Tech!

You can buy the Leafgel products needed for this course [here](#). Use passcode 2021 to access. Use code PPN10 for an additional 10% off.

Please note that neither Leafgel USA or I provide printed training manuals, they were delivered digitally with your purchase receipt. If you cannot find them, email me at support@paolaponcenails.com

REQUIRED means that these items are needed to obtain your certification.

RECOMMENDED means that we may be doing demos with these products, but either you won't have to submit an assignment with them, or they will enhance your experience using Leafgel Premium Brand of products as your main brand.

Certificates processing and mailing fee is complimentary for all who complete a portfolio assignment by the deadline. If you want a printed certification after the deadline, you will have to email Zillabeau for processing.

The 'required' items below are the minimum amount of Leafgel items required to obtain your certification. When you decide to opt out of the required products, you cheat yourself out of experiencing the Leafgel Brand as a system. Also, you will have to submit a picture of your Leafgel Products for certification.

I am so-looking forward to meeting you!
